RESPONSE TO RESTRICTION REQUIREMENT

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

In response to the Restriction Requirement, dated September 11, 2003, Applicant elects Group I, claims 1-8 for examination. This election is made with traverse.

Applicants are of the opinion that Groups I and V should be rejoined because it is thought that these groups share the same subclasses of 6 and 7.1 and that undue burden in searching would not be required.

Applicant reserves the right to file a Divisional Application directed to non-elected claims 9-27.
